## Optional Planned Activities after Close of Convention

### NY Wine and Culinary Center

The Center was created in 2006 as a not for profit organization whose mission is to educate, engage and excite visitors by celebrating and showcasing New York's finest in wine, food and agriculture. The Center's General Manager, Thomas Belelieu, has designed a learning and brunch dining experience at a much reduced cost for the group. The class will begin at 0930 on Wednesday and last approximately 2.5 to 3 hours and cost \$60/per person.

Food for this meal will be prepared by participants in the ultra modern Hands on Kitchen. Class will be split with one group preparing a meat entre and the other a fish. Seasonal fresh vegetables will accompany the entrees. Wines will be chosen to be paired with the main course. A superb learning and dining experience awaits those who desire to participate.
