PRESIDENT'S CORNER Great News!

We are going to hold a chapter dinner on Sunday October 25, 2020, at Nolan's on Canandaigua Lake in Canandaigua. Seating will be limited, so please RSVP as soon as you can. See the attached flyer for details. Please note this is a change in date and venue!

Attached to this newsletter are the chapter Board of Directors approved Bylaws, which will be voted on by the members present at the dinner meeting on Sun October 25, 2020.

If you cannot attend our first dinner meeting since last December, we hope you are keeping healthy and safe, and hope you can join us in the near future, perhaps our December dinner meeting!

MOAA 2019 Levels of Excellence Award.

As I mentioned in the last newsletter, the chapter was awarded another 5-Star Level of Excellence award, which is phenomenal!

And as the TV commercials always say, "but wait...!" The GVC chapter also was awarded the Col Marvin J. Harris Communications Award, which recognizes chapters that do an outstanding job communicating with their members and community. Our recognition was for our print newsletter. A sincere thank you to the GVC board and members who make this chapter a standout performer of excellence!

Important GVC Dues Reminder...!

A big thank you to our life members and those who are current with their chapter dues. However, if you are not current and have not been harassed by Norma Weissend, please contact her or send her your dues, which are still only \$20 per year.

GVC Members in Action on Memorial Day

The picture below shows GVC members Ken Carlsen and Russ Green planting flags at Holy Sepulchre Cemetery on Memorial Day 2020. Russ Green notes, “We are one of seven veteran units from the Veterans Memorial Council planting flags at veterans' plots at that cemetery. We do the same at Riverside, Mount Hope and White Haven Cemeteries.”

Western New York National Cemetery

I am sure many of you are aware there has been plans for a VA Western New York National Cemetery in Pembroke, NY, for many years (about a mile north of the thruway, exit 48A). As with all things governmental, it boils down to funding. The initial plots of land were purchased and then time ticked by waiting for funding to start the project. Great news, construction is underway and significant progress has been made! Depending on which updates you read, initial committals could begin somewhere between December 2020 and Spring 2021. The renderings below are from the contracted LA Group Landscaping, Architecture and Engineering P.C. website,

As I mentioned in the last newsletter, this can be a difficult subject, but NOW is the time to take a look at the VA burial benefits material in the link below... do it for your loved ones.

The VA Burial and Memorial Products Quick Start Guide (QSG) provides clear and concise information on VA burial benefits for Veterans, their families, caregivers and survivors. The link to the PDF file is below:

Public Comment Period Begins for Proposed Arlington Eligibility Changes; MOAA article by Mark Belinsky, Sep 21, 2020

The public comment period for proposed changes to eligibility for burial at Arlington National Cemetery (ANC) opened Sep 15 and runs through Nov 16. The proposal up for comment would dramatically reduce the number of people who qualify for in-ground burial, forcing many families to change long-held plans.

The proposed changes, [which MOAA recapped here](#), are designed to prolong the life of ANC. You can comment on the changes and read the full proposed rule [at this link](#).
